STRATA & REAL ESTATE MAINTENANCE

Aust Building maintains extensive contacts with several large strata and real estate management companies. We are ready to provide services for all exterior and interior building services and have an extensive experience in dealing with tenants and landlords as well as the strata community.

We are experienced in providing reasonable quotes for all building works and maintain an impressive track record in dealing with our clients.

- **24 Hour Emergency Make Safe**
- **Building Maintenance**
- **All Repair Jobs**
- **All Tradies Services**

COMMERCIAL

Aust building is now ready to take on large or small commercial works involving all parts of the building scope. We have had experience in dealing with several commercial projects over the past 10 years and have had positive feedback.

We have dealt with renovations, extensions, demolition and rebuild projects throughout the Sydney region. We understand choosing a builder is a difficult task, however we have aimed to ease the process through our simplified process.

Furthermore, we have several references available upon request and have projects ready for inspection. Please do not hesitate to contact us to enquire about starting a commercial project
